

REMARKS

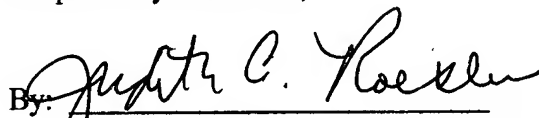

In the specification, paragraph [001] has been added to include a section entitled cross-reference to related application. No new matter has been added to the specification.

Claims 60, 63, 65-69, 74, 78-79, 87-88, 91-94, 188, 206, 225-226, and 228 remain in the application. Claims 1-59, 61-62, 64, 70-73, 75-77, 80-86, 89-90, 95-187, 189-205, and 207-224, 227, and 229-252 have been canceled. Claims 60, 63, 65, 78-79, 87-88, 92, 188, 206, 225-226 and 228 have been amended to more particularly and distinctly recite the subject matter of this invention. No new matter has been added through the amendment of these claims.

The claims presented herewith were the subject of the restriction requirement of the parent application 09/697,934 dated 3/13/2002. Applicants respectfully submit this application is now in condition for examination on the merits and that all claimed subject matter is allowable. An early action to that end is earnestly solicited.

Should the Examiner have any questions, Applicants representative and the undersigned attorney may be contacted by telephone at (919) 620-2915.

Respectfully submitted,

By:
